Subject: Newton Flotman Village Hall website & Newton Flotman Parish Council

Hello Julie,

My colleague on the village hall committee, Jen Sharpe, is starting to pull together a draft Newton Flotman Village Centre website. One of the things we'd like to offer our regular users is their own page on our site. This would display your logo, some copy about who you are and what you do, and could display your contact details and a link to your own website.

If you are interested in this, please would you send the above information to Jen at pdgroup@live.co.uk. You'll have a chance to review your page before it goes live.

Thanks and best wishes,

Christopher
