Dear Sir/Madam,

**Newton Flotman, Flordon Road – extension to existing 30mph speed limit and additional double yellow lining (waiting restriction) Traffic Regulation Orders**

Norfolk County Council is promoting two Traffic Regulation Orders to implement 1: an extension to the existing 30mph speed limit and 2: additional double yellow lining on Flordon Road, Newton Flotman - as detailed on the attached drawing. These works are being promoted as a traffic improvement scheme by Norfolk County Council.

Before progressing with the advertisement of the Traffic Regulation Order associated with these proposals I am hoping to receive your support for the scheme. I would be grateful therefore if you could complete and return the enclosed reply slip before **27/07/2020**. If you would like to request an extension of this deadline, please contact me as soon as possible to agree an alternative date. I shall assume you have no comments if you do not contact me within the above mentioned date. However, it should be noted that the opportunity to object will still be available during the formal advertising period.

I trust the above information will be useful, however, should you wish to further discuss the matter please do not hesitate to contact me on 01603 222619

Yours sincerely

Tony Stepney  
(Engineer – Highways Projects)
